GROUP DISCUSSION

A Group Discussion (G. D.) for B. Sc. I (Statistics) students on the general topic: **“Should there be examinations or not?”** were organized in the department on 20th October, 2022. The motive of the program was to improve the communication skills of students and to lessen the fear of speaking in public. This activity is conducted to demonstrate how to express thoughts systematically on the specific topic logically and intelligently. All students participated in the group discussion actively.
